

LOOKING FOR A ToT

Rehab Initiative is a not for profit organization working in close collaboration with ICRC and other partners for uplifting the physical rehabilitation sector in the country. Training and capacity building is our 4 major objectives.

We in partnership with ICRC, are aiming to train our identified group of around 12 potential trainers in the field of physical rehabilitation.

Although all these professionals are experienced and highly qualified in their field (Physical Rehabilitation), however, in order to enhance their capacity as trainers and teachers to convey their knowledge to other professionals we are looking for a ToT that can help them in building their capacities in the area of teaching methodologies such as planning, curriculum development, lesson plan, effective presentation, engaging the audiences, constructive feedback, follow up and all other techniques required for professional trainings and clinical demonstrations.

Interested Training organizations and or Individual consultants are required to submit their CVs and Cover letters. We have following information regarding this activity.

- The Consultancy charges are proposed as 15 to 20000 per day.
- Duration of the training 3 days (Total 5 days, 2 days training will be delivered by internal trainers)
- Proposed dates are 1st or 2nd week of November 2021.
- Number of participants: 10 to 12.

Venue: Islamabad (Either rehab initiative or a hall depending on training requirements)
